

APPENDIX 7-D

American Sign Language for Feelings

Move both hands in forward circles, up and away from the body, touching the chest as they go around.

With the head bent forward slightly, draw hands, palms facing in, down the length of the face.

With hands curled in, place fingertips against the stomach and, in a forceful motion with a slight inward curve, draw the hands up to the chest.

Bring the hands (palms facing chest) towards the chest quickly and have them come together over the heart, one on top of the other.
